Index to Public Utilities Reports

(This section of the magazine, which comprises the decisions, orders, and recommendations of courts and commissions, is too voluminous to be included in this index. These reports are published annually in their entirety, in five bound volumes, together with the Annual Digest; copies may be obtained from the publishers, PUBLIC UTILITIES REPORTS, INC., Munsey Building, Washington, D. C., upon application.)

PUBLIC UTILITIES FORTNIGHTLY

Subject Index

ACCOUNTING,
Loss-in-value rule in depreciation account-
ing, 653.
SEC expert rules on problems, 96.

APPLIANCES,
Underwriters' Laboratories, Inc., to safe-
guard buyers of, 718.

ATTORNEYS,
National guild lawyers consider regulation,
867.

AVIATION,
Regulatory policy of Civil Aeronautics Act,
515, 597.

BIDS,
Competitive bidding rule of SEC, 95, 612.

BONDS,
See Security Issues.

BONNEVILLE,
Rates and market, 451.

BRITISH BROADCASTING COMPANY,
Radio in Great Britain, 139.

BUILDING,
Chart showing why power company build-
ing budget should rise, 484.

BUSINESS,
Future expansion of utilities, 710.
Private as against governmental develop-
ments, 664.

BUSSES,
Street railways struggle against traffic loss-
es, 209.

CANADA,
Canadian view of St. Lawrence waterway
and power project, 45.

CAPITAL,
Attraction of, impaired by assault on rates,
278.

CAVEAT EMPTOR,
Underwriters' Laboratories, Inc., to safe-
guard buyers, 718.

CENSORSHIP,
Of radio broadcasting, 588.
Public or private, 100.

CHARTS,
Amount of fuel used in power production,
739.
Comparison of industrial payrolls, 735.
Distribution of funds raised by new capital
issues, 549.
Distribution per \$1,000 expended for elec-
trical machinery, apparatus, and supplies
manufactured in 1937, 739.
Electrical and industrial production, 731.
Electric power consumption and probable
future trend, 32.

CHARTS—continued.
Electrification of industry, 33.
Gas revenue—manufactured gas industry,
483.
Gas revenue—natural gas industry, 482.
How the average American family dollar is
spent, 741.
How the power industry's revenue dollar is
spent, 736.
Increasing efficiency of power generation
by fuel, 742.
Percentage of national income and electric
utility income paid in Federal and local
taxes, 738.
Production of electricity by fuel and water
power, 743.
Progress in America since 1900, 229.
Quarter century trend in revenues and ex-
penses of electric light and power indus-
try, 737.
Radio spectrum, 235.
Record of corporate earnings of leading
American industrial groups, 737.
Relative expansion of power and general
business, 730.
Security issues of electric and gas utilities
offered publicly or sold privately from
1935 to 1938, 159.
Tabulation to evaluate in terms of per share
earnings some of long-term contingencies
facing utilities, 421.
Taxes, net cash contributions, and free
service in percentages of base revenues
in connection with privately owned and
publicly owned utilities, 679.
Taxes per dollar of revenue from sale of
electricity, gas, and steam, 490.
Trend of average typical bills for residen-
tial electric service, 428.
Use of electricity, 732.
Utility v. Industrial stock averages, 231.
What taxes paid by the electric utility in-
dustry would do, 739.
What your dollar buys, 733.

CHILE,
More power for, 836.

CITIES SERVICE,
Plans to trustee utility holdings, 551.

CIVIL AERONAUTICS ACT,
Regulatory policy embodied in, 515, 597.

COAL,
Complaint of Federal competition with coal
industry, 684.
Old King Coal gets hydrophobia, 365.

**COLUMBIA GAS & ELECTRIC CORPO-
RATION,**
Plan to end affiliation with Columbia Oil &
Gasoline Corporation, 291.

COMMISSIONS,
See also Federal Commissions.

PUBLIC UTILITIES FORTNIGHTLY INDEX

COMMISSIONS—*continued.*

New York Commission reports regulatory progress, 558.
Trend toward one-man control, 301.

COMMONWEALTH & SOUTHERN CORPORATION,

Purchase by TVA favorably received, 359.

COMPETITION,

Complaint of Federal competition with coal industry, 684.

COMPETITIVE BIDS,

Rule of Securities and Exchange Commission, 95, 612.

CONGRESS,

Easing up on utilities, 323.
Editorial reaction to TVA committee reports, 554.
Investigation of Federal Communications Commission, 27.
Possible action as to TVA, 526.
Power projects and other obstacles to Federal economy, 581.

CONSTRUCTION,

Future for the utilities, 710.

COÖPERATIVES,

Agonies in equity, 464.
Spreading power demand in Middle Southwest, 270.

COURTS,

Disagreement as to function of courts and Federal Commissions, 606.

DAMS,

Biggest, on earth, 150.
Gilbertsville as symbol of Federal spending for power, 493.
National Congress considers multipurpose dams, 616.

DEPRECIATION,

Loss-in-value rule for accounting, 653.

EARNINGS,

Representative utility preferred stocks arranged in order of yield, 481.
Safeguarding electrical utility earnings, 623.
Tabulation to evaluate in terms of per share earnings some of long-term contingencies facing utilities, 421.

ECONOMY,

Power projects and other obstacles to Federal economy, 581.

ELECTRICITY,

Assault on electric rates, 278.
Average typical bills for residential electric services, 429.
Bonneville rates and market, 451.
Bouquets for administration's power policy, 688.
British power set-up, 74.
Building program delay because of difficulty of equity financing, 93.

ELECTRICITY—*continued.*

Canadian view of St. Lawrence waterway and power project, 45.
Cavalcade of power, 729.
Chamber committee considers natural resources, 681.
Chilean power, 836.
Commerce Department meets with electrical manufacturers, 619.
Coöperatives in the Middle Southwest, 270.
Domestic electric consumption, 31.
Fifteen years of electric rate reductions, 428.
Floods, navigation, and power, 343.
Future for the utilities, 710.
Gilbertsville as symbol of Federal spending for power, 493.
Grand Coulee—biggest dam on earth, 150.
How power has treated its investors, 736.
How the power industry has treated employees, 734.
Hurricane service in New England, 82.
In the city and on the frontier, 862.
Map of Tennessee valley, 165.
National Congress considers multipurpose dams, 616.
National defense and electric power, 3, 259, 621, 716, 827.
Nebraska power projects, 686.
Old King Coal gets hydrophobia, 365.
Power as a territorial developer, 862.
Power industry as taxpayer and consumer, 738.
Power projects and other obstacles to Federal economy, 581.
Power transmission during national emergency, 621.
Production of electricity by fuel and water power, 742.
Progress at the New York World's Fair, 707.
Public relations of power, 740.
Rates on the farm, 103.
Rural electrification, 12.
Safeguarding electrical utility earnings, 623.
Security issues of electric and gas utilities offered publicly or sold privately from 1935 to 1938, 159.
Sixty years of electric light and electric power, 726.
Tall stories on rural power, 105.
Underwriters' Laboratories, Inc., to safeguard appliance buyers, 718.
War power of, 3.

EXEMPTIONS,

Of financing under Holding Company Act, 195.

EXPLOSIVES,

From natural gas, 560.

FARMER,

The power industry and the farmer, 744.

FEDERAL AID,

Meaning of, 471.

PUBLIC UTILITIES FORTNIGHTLY

FEDERAL COMMISSIONS,

- Accounting ruling by SEC expert, 96.
- Annual report of Federal Communications Commission, 173.
- Bill to reorganize FCC, 224, 285, 349.
- Communications Commission inquisition by Appropriations Committee of House, 27.
- Disagreement as to function of courts and Federal Commissions, 606.
- Job of flood control passes to Washington, 67.
- Licensing of radio as aid to censorship, 588.
- Members of, and resignations from, FCC, 414.
- Radio regulatory problems, 643.
- Report of Federal Communications Commission, 154.
- Rule on competitive bidding, 95.
- Trend toward one-man control, 301.
- Unhappy FCC and future worries, 387.
- Utility financing under Holding Company Act, 195.

FINANCES,

- Building program delay because of difficulty of equity financing, 93.
- Elimination of major subholding company of North American Company, 228.
- Extent and nature of 1938 financing and its significance, 396.
- Refunding operations, 160.
- SEC concession aids equity underwriting, 34.
- Utility financing under Holding Company Act, 195.

FLOODS,

- Floods, navigation, and power, 343.
- Hurricane service in New England, 82.
- Job of flood control passes to Washington, 67.
- National Congress considers multipurpose dams, 616.

GAS,

- Gas revenues—manufactured gas industry, 483.
- Gas revenues—natural gas industry, 482.
- High explosives from natural gas, 560.
- Security issues of electric and gas utilities offered publicly or sold privately from 1935 to 1938, 159.

GILBERTSVILLE,

- As symbol of spending for power, 493.
